IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

1. A Notice of Abandonment mailed 05/12/03 has been received on the above application due to failure to respond to an outstanding Office Action.
2. During a telephone call from Examiner Forman on 04/24/03 I was informed for the first time that a Restriction Requirement was mailed by the Office on 09/17/03 and to which no response had been received by the Office. This Restriction Requirement provided a shortened period of 1-month for response (i.e. by 10/17/03).
3. I have searched the file jacket and docket records for this application maintained by Agilent Technologies, Inc. ("Agilent"), assignee of the present application. This search indicates that the Restriction Requirement was not received.

4. I have checked with the Intellectual Property Administration division at Agilent, where all correspondence on this application would have been mailed. A check of the mail log maintained by that division revealed that the only two pieces of correspondence received for this application was the Filing Receipt (received on 09/26/01) and the Notice of Publication (received on 03/04/03).

5. A copy of the docket record for the present application (Attorney Docket 10991398-1) is attached showing "Actions Due" for the present application, where the nonreceived Restriction Requirement would have been docketed had it been received.

6. In accordance with the procedure set forth under M.P.E.P. 711.03(c)II, a copy of Agilent Technologies, Inc. Docket Report showing all U.S. replies docketed for between 10/10/02 and 10/24/02 is also attached. As shown in the Docket Report, no replies were docketed for the present application (Attorney Docket No. 10991398-1).

7. In view of the above, it is respectfully requested that the holding of abandonment of the present application be withdrawn, and a new Office Action be mailed in accordance with M.P.E.P. 711.03(c)II.

Authorization to charge fees to Deposit Account 50-1078 is included in the Transmittal Letter accompanying this Petition.

Respectfully submitted,

Gordon M. Stewart
